AN AFTERNOON OF CLASSICAL MUSIC

Come to the Napa Library for a special performance by musician **JEFFREY MCFARLAND - JOHNSON**. He will perform three Bach suites of French dances on a new hybrid vegan instrument that combines guitar, cello, and lute. The **GUITELLO** has a resonant top that comes from the bottom of a cabernet wine vat installed by C. Mondavi in 1943. This unique musical experience is not to be missed.

SATURDAY, MAY 18 AT 2 P.M. / COMMUNITY MTG ROOM, NAPA LIBRARY
